

Computer Network and Acceptable Use Policy

Objectives

- The internet provides an opportunity to enhance students' learning experiences by providing access to vast amounts of information across the globe. Online communication links students to provide a collaborative learning environment and is intended to assist with learning outcomes. Today's students are exposed to online communication tools and the internet in their community. Students have the right to expect secure access to these services as part of their learning experiences at Baldivis Secondary College.
- Use of the internet and online communication services provided by Baldivis Secondary College is intended for research and learning and communication between students and staff. Access to internet and online communication tools at college will assist students to develop the information and communication skills necessary to use the internet effectively and appropriately.
- Responsible use of the services by students, with guidance from academic staff, will provide a secure and safe learning environment.
- Students using internet and online communication services have the responsibility to report inappropriate behaviour and material to their supervisors.
- Students who use the internet and online communication services provided by Baldivis Secondary College must abide by the Education Department's conditions of acceptable usage. Students are made aware of the acceptable usage policy each time they log on.
- Students should be aware that a breach of this policy may result in disciplinary action in line with their college's discipline policy.

Student Responsibilities
