

Dear Parent/Caregiver,

**Re: Academic Alliance -Mathematics**

At Baldivis Secondary College we believe in giving all students every possible opportunity to succeed. It is evident that some students would benefit from a session outside of school hours where they can access the support and expertise of teachers to improve their mathematical understandings and maximise their academic performance.

As such, we would like to offer **'Mathematics' on Tuesday after school from 2:45pm to 3:45pm**. This session will run in addition to 'Academic Alliance - All Subjects' on Monday afternoon. The session is student focussed and will be a time when students can ask questions about work that they may not have time to discuss in class, continue with assignments, complete set homework tasks or revise for upcoming assessments.

Attendance records will be kept of all students who attend Tuesday. Students require permission to be granted as it is outside of normal school hours. This will conclude at 3:45pm and students will be dismissed from Rooms 210, 212 & 213, which are located upstairs in building 7. It is the responsibility of parents/caregivers to ensure that their child has a way home. If your child is interested in attending the 'Academic Alliance-Mathematics' sessions on Tuesday after school, please return the slip below. We will **commence on Tuesday week 3 of term 1**.

Kind regards,

*Belinda Miller*

I give permission for my child \_\_\_\_\_ to attend 'Academic Alliance- Mathematics' after school on Tuesdays.

I understand that I need to ensure my child has a way of getting home at 3:45pm.
