

Baldivis
Secondary College

WHY PAY CONTRIBUTIONS & CHARGES?

ENSURING ACCESS TO
ENHANCED RESOURCES AND
OPPORTUNITIES FOR ALL

ABOUT SCHOOL FUNDING

The College receives funding each year to cover the basic cost of running the college. These funds are used for a range of whole-of-college expenses, including staff salaries, maintenance and minor repairs of equipment, grounds, classroom furniture and buildings, day-to-day administration costs (e.g. postage, printing, stationery, college promotion) and payment of utilities (gas, electricity, water).

By promptly paying your child's contributions and charges or alternatively establishing a payment plan, you play a **direct role in enhancing their educational experience.**

Every contribution is reinvested in resources that expand learning opportunities and drive better outcomes for all students.
