- Year 9 and 10 PEEL Lightning Carnival

BushRangers

Mrs Barlow and the bushrangers would like to welcome all the newbies. We're excited for the memories and the skills you learn

From Our Head Students:

Hello Everyone and Welcome to 2025! For our Year 8-12s Welcome Back. For the Year 7s and any new students we are your head students this year so please feel free to approach us whenever you need to. We look forward to the fun school year, and hope you do as well, Thanks

Grace and Nayef, 2025 Head Students

YohFest

This year we are opening up opportunities to participate in YohFest to everyone. Last year, the current year 11 students successfully choreographed 2 dances and performed them at YohFest in September. In week 5 Tuesday lunchtime, there will be an informational meeting in the dance studio (7-106) with Miss Corbishley and Shenaya to brainstorm ideas regarding the theme for this year which is "COLOUR MY WORLD". If you're interested come along and bring your friends

Editorial Team

Students!

Applications for the 2025/26 Student newsletter are now open! If you have an interest in writing and/or journaling we highly suggest that you apply.

We also require that you free at least 2hrs a week during the school day for the team

<https://shorturl.at/nrR52>

Competitions

This Months Competition is HARD! Can you guess what the Logo is based on their colour palette? The top ONE student who guesses the most correct wins a \$20 JB-HiFi Gift Voucher with all other students entering in a raffle drawn on the end of each term to also win a \$20 JB-HiFi voucher

Closes 28/03/2025 ... Get In Quick To Win, This Must End Soon

Teacher of the Month

Last Teacher of the Month: Tony Nguyen

This month's teacher of the month will be: The Most sassiest Sports teacher. To vote please scan the QR Code or for more information talk to Ané van Wyk.

<https://forms.gle/Bm8RwNMvwsCBN5Gk6t>

What's on around Baldivis?

All month

- Try out the Gravity Discovery Centre Nighttime Experience (tickets sell quickly most nights, so get in fast!)
- Take a trip to Kings Park for a scenic walk
- See the exciting animals at the Perth Zoo

Save the date

- Rockin' Jams at Rockingham Youth Centre - 05/03
- Watch Jesus Christ Superstar The Musical at Crown Theatre - ends 08/03
- Hyde Park Festival - 02/03 and 03/03

Bella's Beef

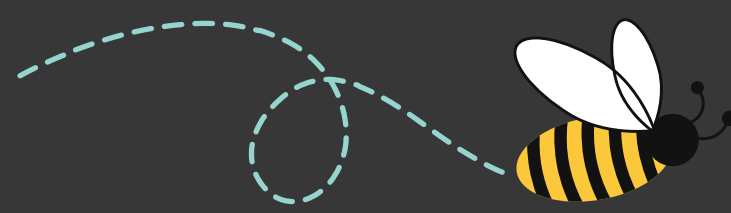

On this segment of Bella's Beef, we are going to address a recurring issue of body odour. Despite countless, gentle reminders to our student body, some students seem to be unaware of the impact that their body odour has on people within and around the school.

While sweat is a naturally occurring substance for all human beings, body odour does not have to be! We understand that some may not be aware of it, however we need to ensure that we all do our part to use the appropriate tools such as the regular application of deodorant, (especially after sport classes!!) to ensure that no discomfort occurs to both you and your peers.

Let's get on top of this to ensure a safe, hygienic environment for all students and teachers.

High School 101, Top

High school can be scary, and tests can be stressful, but you should always know you can ask for help from your teachers and peers.

1. Go to all your classes. Truanting is a terrible thing to do because you could miss out on really important lessons.
2. Be consistent. It's okay to not always be on task but try your best to do all your work, homework and assignments.
3. Don't be late. Being late to class can make you miss important news and it can drop your good standing
4. Be respectful. Be respectful to everyone in your classes and even around the school to create a safe and positive environment.
5. Start and good routine for everything. When you have a routine it can be less stressful studying or even for homework

Student Survey

Take some time to complete this short survey which will be shown to our Principal to make our school better!

<https://forms.gle/wUUbz923Qat4uygo8>

Study Tips

1. Take notes from the textbook before class so that you can ACTIVELY LISTEN in class rather than take notes in class.
2. Make mind maps with diagrams to show relationships between topics.
3. Keep a glossary and make them into FLASHCARDS. (knowt is a good free digital flashcard software)
4. Never underestimate sleep and food.

Shoutouts

- A HUGE congratulations to Xun Yi Wong who received a 99.70% ATAR score last year!
- Congratulations to Asia, a Year 11 student, who was successful in gaining a KIC womens engineering pre-apprenticeship.
- A part of the AVID program, our school was generously donated 41 Microsoft Surface laptops!

HOW THE ATAR WORKS

WHAT IS THE ATAR?
The Australian Tertiary Admission Rank (ATAR) gives each student a rank between 0 and 99.95 relative to other Year 12 students in their state.

99.95

WHAT DOES IT MEAN?
If a student receives an ATAR of 54.75, the student achieved higher results than 54.75% of students in their state throughout the year.

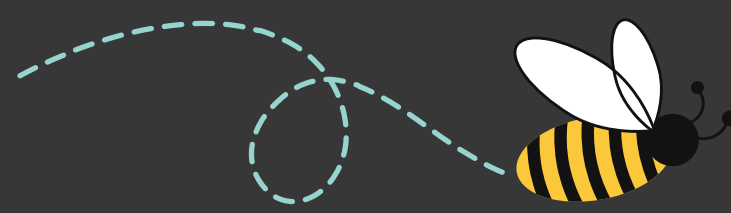

HOW IS IT CALCULATED?
The ATAR is calculated by adding up a student's scores from each of their subjects and ranking this total score against other students in their state.

Marley's Meetups

Featuring This Month: Science Teacher Ms Daly

Did you enjoy school as a kid?

School was my favourite place, I loved school!

Any classes you really enjoyed/ found struggling?

I loved science (shocking, I know) and sport, I got top student awards in both. I couldn't do math to save my life and I'm not the greatest at spelling.. but I did tried my best. My best was about 37% though.

What did you want to do as a kid?

I wanted to be a doctor, mostly so I could treat my 638,543 ailments.

Any future endeavours you had/have?

I'm pretty ambitious, I always want to better the lives of all students but my brain hasn't figured out how yet. STAY TUNED.

What you would like to see from BSC/ something you would like to say to students?

I would love to see everyone trying to be the best that they can be and having a positive impact in our college. Whether that's helping out students whenever you can, positive interactions instead of tearing people down, not involving yourself in someone else's drama and just being a good person.

Also, bullies are losers. No one cares about how cool you were in high school. Focus on yourself, your friends and just do what makes you happy 😊

...and any other fun facts or information

FUN fact, I have an uncanny ability to survive against all odds.

2025 Leavers Jacket

The 2025 Year 12 Leavers received their awesome Jackets in Week 1. The jackets are reversible with a wind sheer side and a winter coat side with the students first name or last name stitched into the back. Thank you to the design team, Miss Braddock and the distributors help and hard work

Harmony Week - 2025

Monday: Crane-making

We kick off the week with a creative session of crane-making. In many cultures, the paper crane symbolizes hope, peace, and healing, setting the tone for a week of building bridges and fostering harmony.

Tuesday: Harmony Week Homeroom Quiz

Get ready to test your knowledge and learn fascinating cultural facts in a fun, interactive quiz. This activity will spark curiosity and encourage conversations about the diverse backgrounds that make our community so vibrant. Best homeroom wins a Pizza lunch, courtesy of Ms Parolo!

Wednesday: Food and Culture Lunch-time Activities

Have some fun exploring the tastes and traditions of different cultures.

Thursday: Harmony Week Performances at Lunchtime

Experience the magic of a live performance during the lunch break.

Friday: Unity Day – Wear National Dress or National Colours & Unity Walk

Wrap up the week with Unity Day by proudly wearing your national dress or colours. This visual celebration of identity is complemented by our BSC Unity Walk—a symbolic journey where students, staff, and community members walk together to promote the ethos of Harmony Week. The Unity Walk isn't just a stroll; it's a moving representation of our commitment to mutual respect, understanding, and togetherness.

Cultural Recipe: Kiwi Fruit Bread (New Zealand)

Ingredients

2 cups all-purpose flour
1 teaspoon baking powder
¼ teaspoon baking soda
½ teaspoon salt
½ cup butter (soften) or 1/2 cup margarine (soften)
¾ cup sugar
2 eggs
1 cup peeled mashed kiwi fruit (ripe)

Directions

1. Preheat oven to 350 degrees. Grease and flour a 9 X 5 X 3 loaf pan.
2. Sift together flour, baking powder baking soda and salt and set aside. In large bowl cream butter and sugar together until light and fluffy. Add eggs one at a time to creamed mixture beating well after each one. Stir in kiwis.
3. Fold in dry ingredients gently, stirring only until batter is completely moistened. Spoon batter into pan and bake for 55-65 minutes or until toothpick inserted comes out clean. Cool for 10 minutes on wire rack. Remove from pan and continue cooling on rack.

YEAR 7
