Dear Parent/Caregiver,

Re: Academic Alliance

At Baldivis Secondary College we believe in giving all students every possible opportunity to succeed. It is evident that some students would benefit from a session outside of school hours where they can access the support and expertise of teachers to improve their understandings and maximise their academic performance.

As such, we would like to offer support on **Wednesday after school from 2:45pm to 3:45pm** in the library. The session is student focussed and will be a time when students can ask questions about work that they may not have time to discuss in class, continue with assignments, complete set homework tasks, or revise for upcoming assessments.

Attendance records will be kept of all students who attend Wednesday afternoons. Students require permission to be granted as it is outside of normal school hours. Students will be dismissed from the library, and it is the responsibility of parents/caregivers to ensure that their child has a way home. If your child is interested in attending 'Academic Alliance' sessions on Wednesday after school, please return the slip below.

We will commence on **Wednesday Week 3 Term 1**.

Kind regards,

Matthew Poole
